APJ ABDUL KALAM TECHNOLOGICAL UNIVERSITY

Sixth Semester B.Tec Degree Examination

June 2022 (2014 scheme)

Duration: 3h

Max. Marks: 100

course code: HUT 360

course Name: Industrial Economics & foreign trade

PART A

Answer all questions, each carries 3 marks.

1. The four factors of pdr have been traditionally classified as
- land - provides platform for human actions,
 - labour - work done by human beings
 - capital - produced means of pdr
 - & organisation - who plans, organizes & manages business enterprise & bears risk involved in-

2. $\frac{\% \text{ change in demand}}{\% \text{ change in price}}$

$2 = \frac{50}{\text{change in price}}$

$\therefore \% \text{ change in price} = \frac{50}{2} = 25\%$
